Instant@dvice and Trade Transactions Tracker

Instant@dvice is an included service for HSBC clients using documentary trade and guarantees products to speed up their trade cycle, enhance cash flow, and improve their supply chain management.

Instant@dvice gives you access to Trade Transaction Tracker, a complimentary tool on the HSBCnet Mobile App which gives you the transaction status of your trade and guarantees products.

Greater visibility and control

Keep up-to-date on the status of your transactions, and receive copies of import and export documentary credits (DCs), guarantees, and trade transactions advices directly to your company's specified email addresses or mobile device.

Manage your costs more effectively

Accelerate the release of documents and save on potential demurrage costs on your imports. You can receive import payment instruction letters via email that you can immediately print, complete, and return¹ to us.

Improve your cash flow position

Reduce your days sales outstanding (DSOs) and accelerate your export proceeds by tracking the delivery of your export documents sent internationally by HSBC offices.

Better supply chain management

Strengthen existing suppliers' relationships and speed up the delivery of your commodities by receiving faster confirmation of payments to your suppliers from HSBC.

Leverage HSBC's international network

If your buyers and suppliers are HSBC clients, they can also use Instant@dvce and Trade Transactions Tracker for timely transaction updates. This can accelerate your trade cycle and help you strengthen your partnerships.

1. Customers wishing to provide instructions by fax will need to complete the relevant indemnity, prior to providing any instructions. We shall be pleased to supply details upon request.

How to get started with Instant@dvice and Trade Transactions Tracker

How does it work?

Instant@dvice

You can nominate up to five email addresses within your company to receive a copy of your export or import DCs, guarantees and subsequent amendment(s), and other trade related advices.

Trade Transactions Tracker

You can use Trade Transactions Tracker on a mobile device running a supported operating system.

Once you download the HSBCnet Mobile App with Trade Transactions Tracker on your mobile device, you will need to enter:

1. Your trade account number (if you have multiple trade accounts you can choose one).
2. The email address registered for Instant@dvice service (if you have multiple email addresses registered you can choose one).
3. A recent transaction reference number processed by HSBC that's linked to the trade account you've chosen in step 1.

To use Instant@dvice and Trade Transactions Tracker, you must complete this Authorisation form and accept the terms and conditions.

Information Service Only

Instant@dvice and Trade Transactions Tracker are information services only. The Instant@dvice service email doesn't receive incoming emails and emails sent to this email address will not be actioned.

If you want to provide instructions, please contact your assigned Global Trade Solutions (GTS) Services centre. If you're unsure which GTS Services centre is assigned to you, please ask your Relationship Manager or contact us. You can find our details at the end of this form.
